[master 9342957] Drugie podjezcie
Committer: stud <stud@wit.local>
Your name and email address were configured automatically based
on your username and hostname. Please check that they are accurate.
You can suppress this message by setting them explicitly. Run the
following command and follow the instructions in your editor to edit
your configuration file:

    git config --global --edit

after doing this, you may fix the identity used for this commit with:

    git commit --amend --reset-author

2 files changed, 1 insertion(+)
create mode 100644 second_file.txt
stud@W04N-P317D06 MINGW64 ~/Desktop/repo (master)
```

drugie commit

```
MINGW64/c/Users/stud.WIT/Desktop/repo
git config --global --edit

After doing this, you may fix the identity used for this commit with:

    git commit --amend --reset-author

2 files changed, 1 insertion(+)
create mode 100644 second_file.txt
